**Purpose and legal basis**

The personal data you provide to SIRI is collected and used:

- to process your application for a re-entry permit for the Faroe Islands
- for verification and spot checks of the conditions for your residence and/or work in the Faroe Islands

The legal basis for processing your personal data is:

- Decree of commencement for the Faroe Islands of the Danish Aliens Act (the Aliens Act) in particular chapter 1 on the entry and residence of aliens on the Faroe Islands.
- Executive order no. 636 of 7th June 2010 on aliens admission and residence on the Faroe Islands

The information you give or have given in connection with your application will be registered in the registers of Danish immigration authorities. The same holds true for any information you later give in connection with an application to extend your residence permit or for a new residence and/or work permit in the Faroe Islands.

Some of your data will be registered by the authorities in the Faroe Islands. This will in some instances happen immediately when you are granted a permit. In other situations the registration will take place only when you take up residence in the Faroe Islands.

**We process the following categories of data about you:**

- General personal data, such as: information about your name, P-number, citizenship, occupation, education, marital status, financial information and whether you have committed any legally punishable offences
- Sensitive personal data, such as: health information

**We can disclose your data to the following recipients**

SIRI can pass on your data to your sponsor (e.g. your employer, place of study, host or family member), Útlendingastovan, the police, the Danish Security and Intelligence Service and the Danish Defence Intelligence Service, the public prosecutor, the Ministry of Immigration and Integration, the Danish immigration Service, the Ministry of Foreign Affairs of Denmark and The Danish Parliament.

In isolated cases, SIRI also passes on your data to other public authorities, private sector organizations and foreign organizations and authorities when it is necessary to exercise our official authority.

SIRI shares data when it is necessary in order to exercise our official authority, including when we are legally obliged to share information.

**What is the origin of the data we process about you?**

The personal data that SIRI processes about you have been provided by you in this application form. We will also process data you may submit to your case later.

**Storage of data**

SIRI will store your personal data for as long as it is necessary in order to be able to carry out our tasks in relation to establishing or defending a legal claim to residence.

Data submitted as part of an immigration related matter can be stored for use by the immigration authorities at a later date. This means that the data can enter into the decision making process regarding future applications for extension of a residence permit, when revoking a residence permit, for verification and spot checks, when deciding whether a permit has lapsed, in relation to applications for permanent residency and for naturalization and in cases concerning any family members.

In practice this means that SIRI will store your data for the period of your 'lifecycle' – i.e. your entire life. Basic data regarding your stay in Denmark, e.g. when and why you have been granted a residence permit and information on other decisions made by SIRI regarding your residence in Denmark will not be erased.
