Application for a residence and work permit for self-employed persons (non-EU/EEA citizens)

1. Information about fees

You will normally need to pay a fee if you submit an application for a residence and work permit in Denmark. You can find the current fees on newtodenmark.dk/fee.

All persons who submit an application for residence and work permit on the grounds of salaried work must do the following in the order below:

1. Create a case order ID. **Please note:** You must state the case order ID in the field below.
2. Pay the fee. **Please note:** Certain groups of applicants may be exempt from paying the fee. These groups must still create a case order ID.
3. Submit the application.

The fee covers the processing of your case. This means that the fee will not be refunded if your application is turned down. Furthermore, the fee will not be refunded if, during the processing of your case, you choose to withdraw your application. If you have not paid the fee your application will be rejected, which means that it will not be processed. If your application is rejected for any other reason, the fee will be refunded minus an administration fee.

How do I create a case order ID?

Anyone can create a case order ID on newtodenmark.dk/fee. You must clearly state the case order ID in the field below and when paying the fee (if applicable).

How do I pay the fee?

You can pay the fee in several ways, such as by credit card, through a Danish internet bank, in the bank or at the post office. On newtodenmark.dk/fee you can choose how you wish to pay, and you can see which information is required when paying the fee. **Please note:** The fee must be paid no later than at the same time the application is submitted. In most cases, this means that the fee will need to be paid **before** the application is submitted. Only a few Danish diplomatic missions will allow you to pay the fee when you submit your application. You **cannot** pay the fee at SIRI's branch offices. Please **include documentation that you have paid the fee**, such as a receipt for payment by credit card, for transfer through a Danish internet bank or a receipt from a bank or post office.

As a Turkish citizen, you may be exempt from paying the fee

If you (the applicant) are a Turkish citizen and are applying for a residence and work permit on the grounds of salaried work, you may be exempt from paying the fee. On newtodenmark.dk/fee you can read more about who is exempt from paying the fee. If you are a Turkish citizen and believe that you are exempt from paying the fee, please tick the box next to "Applicant is exempt from paying the fee". If you do this you do not need to fill in the information required for refunding the fee. When you create a case order ID, please state that you are exempt from paying the fee. Please note: if the immigration authorities decide that you are in fact not exempt from paying the fee, your application will be rejected, which means that it will not be processed. However, if you have paid the fee and the immigration authorities decide that you are in fact exempt from paying the fee, the fee will be refunded.

1.1 Case order ID

Please state your **case order ID**. The case order ID you state below must be identical to the case order ID stated when paying the fee. Please include documentation that you have paid the fee. If you believe that you are exempt from paying the fee, please enter your case order ID and tick the box next to 'The applicant is exempt from paying the fee'.

1.2 Information required for refunding the fee (in case the fee is to be refunded)

Please give the information required for refunding the fee. The fee can be refunded by transfer to a Danish NEM account ('NEM-konto'), a Danish bank account, a foreign bank account, or in cash at a Danish diplomatic mission. Diplomatic missions can only repay fees in cash if the fee was originally paid there. Please state the name of the person to whom the refund should be paid (account holder/recipient), how you wish to receive the money, and any required information.

If the refund is to be paid to a foreign bank account, we recommend that you speak with your bank first to obtain the information necessary in order to receive a transfer from Denmark. In addition to the account information, you may also need to provide the bank's address.

Please note that for a period of 180 days, your fee cannot be returned to a bank account, if you originally paid the fee with Dankort or credit card. For that period of time the payment can only be returned to the same Dankort or credit card account. After 180 days, your fee can be returned to the bank account specified by you below.

C. Information on how we process your personal data

SIRI is obliged to inform you how we process your data and to inform you of your rights in regard to how we process

your data.

Data controller

SIRI is the data controller and responsible for processing the personal data given in this application form and the data provided about you during the processing of the case. You can contact the agency by writing to the following address: The Danish Agency for International Recruitment and Integration (SIRI), Carl Jacobsens Vej 39, PO box 304, 2500 Valby or through our contact form on newtodenmark.dk/SIRI-contactform.

You can contact our data protection officer by writing to the aforementioned address (Att. Data protection officer) or by using our contact form at newtodenmark.dk/SIRI-contactform. You can read more about SIRI as data controller and about SIRI's data protection officer on newtodenmark.dk/personaldata.

Purpose and legal basis

The personal data you provide to SIRI is collected and used:

- to process your application for a residence and/or work permit in Denmark
- in any later application for an extension or for a new residence and/or work permit in Denmark
- for verification and spot checks of the conditions for your residence and/or work in Denmark

The legal basis for processing your personal data is:

- The Danish Aliens Act, in particular chapter 1 on the entry and residence of aliens in Denmark.
- The General Data Protection Regulation (GDPR), article 6.1 (c) (relating to the processing of data in order to comply with the legal obligation to which the controller is subject) and 6.1 (e) (relating to the exercise of official authority vested in SIRI by the Aliens Act).
- The General Data Protection Regulation (GDPR), article 9.2 (f) (relating to the necessity of processing in order to establish, exercise or defend legal claims).
- The Danish Data Protection Act section 8 (relating to the official authority only being allowed to process information about criminal offences if it is necessary for tasks of that official authority).

The information you give or have given in connection with your application will be registered in the registers of Danish immigration authorities. The same holds true for any information you later give in connection with an application to extend your residence permit or for a new residence and/or work permit in Denmark.

Some of your data will be registered in the Civil Registration System (CPR). This will in some instances happen immediately when you are granted a permit. In other situations the registration will take place only when you take up residence in Denmark.

We process the following categories of data about you:

- General personal data, such as: information about your name, possible civil registration number (CPR-number), ; citizenship, occupation, education, marital status, financial information and whether you have committed any legally punishable offences
- Sensitive personal data, such as: health information and biometric data collected for the purpose of establishing your identity.

We can disclose your data to the following recipients

SIRI can pass on your data to your sponsor (e.g. your employer, place of study, host or family member), municipal authorities, the police, the Danish Security and Intelligence Service and the Danish Defence Intelligence Service, the public prosecutor, the Immigration Appeals Board, the Refugee Appeals Board, the Ministry of Immigration and Integration, the Danish immigration Service, the Danish Agency for Labour Market and Recruitment, the Ministry of Foreign Affairs of Denmark and The Danish Parliament.

In isolated cases, SIRI also passes on your data to other public authorities, private sector organizations and foreign organizations and authorities when it is necessary to exercise our official authority.

Furthermore, data from SIRI's registers and the CPR register are shared with other relevant authorities or organisations via the Aliens Information Portal (Udlændingeinformationsportalen) if they need the data in order to process aspects of your stay in Denmark.

SIRI shares data when it is necessary in order to exercise our official authority, including when we are legally obliged to share information.

If you lose your residence permit, we will inform your current or previous employers, if any, that you no longer have the right to work. This will happen, if we issue a refusal to an application for a residence permit or to an extension of a residence permit. It will also happen if we revoke your residence permit or if we establish that your residence permit has lapsed. Employers who within the last three months have reported salary payments to you to the income register will be informed.

What is the origin of the data we process about you?

The personal data that SIRI processes about you have been provided by you in this application form. We will also

process data you may submit to your case later.

In addition, we will process data obtained from:

- any of your previous applications submitted to SIRI,
- searches in databases, such as: the Civil Registration System (CPR), the Income Register (eIncome), the Building and Dwelling Register (BBR), the Central Crime Register (KR), the Central Passport Register and the Schengen Information System (SIS II)
- other authorities, such as: municipal authorities, the Regional State Administration, the Danish Immigration Service, the Immigration Appeals Board and the Refugee Appeals Board,
- third-parties or sponsors, such as: your au pair- or internship host, employer or educational institutions
- any person applying for a residence permit based on your grounds for residence in Denmark, and this person's previous cases with SIRI.

Storage of data

SIRI will store your personal data for as long as it is necessary in order to be able to carry out our tasks in relation to establishing or defending a legal claim to residence.

Data submitted as part of an immigration related matter can be stored for use by the immigration authorities at a later date. This means that the data can enter into the decision making process regarding future applications for extension of a residence permit, when revoking a residence permit, for verification and spot checks, when deciding whether a permit has lapsed, in relation to applications for permanent residency and for naturalization and in cases concerning any family members.

In practice this means that SIRI will store your data for the period of your 'lifecycle' – i.e. your entire life. Basic data regarding your stay in Denmark, e.g. when and why you have been granted a residence permit and information on other decisions made by SIRI regarding your residence in Denmark will not be erased.

If you have your finger prints and facial photo taken for use with your residence card and for identification and identity control, your fingerprints and photo will be stored in the immigration authorities' database. If you are granted a residence permit, your fingerprints and photo will be stored for 10 years. If you are not granted a residence permit, your fingerprints and photo will be stored for 20 years. If you are granted Danish citizenship, your fingerprints and photo will be deleted.

Finally, it must be mentioned that data will be transferred to the Danish National Archives in accordance with the Danish Archives Act.

Your rights

Under the GDPR you have a number of rights in relation to our processing of data about you:

The right to know what kind of data we process about you

You have the right to ask what kind of data we are processing about you and be granted access to these data. If you request access to your data, your application will be processed in accordance with the GDPR's regulations governing right of access. You have the right to request that corrections be made to personal data about you that you find inaccurate. In specific situations, you also have the right to have your data erased. As a rule, information can only be erased, if it is not necessary for processing your case as SIRI is obliged to record and register information in accordance with the Public Administration Act.

The right to restriction of processing

In some situations, you have the right to restrict the processing of your personal data. Where processing has been restricted, SIRI may thereafter, with the exception of storage, only process your data with your consent unless the purpose of the processing is to establish or defend a legal claim, to protect another person or for reasons of important public interest.

The right to object

In some situations, you have the right to object to otherwise legal processing of your personal data. This means that you can request that your data is erased, corrected or restricted.

You can read more about your rights in the Danish Data Protection Agency's guidelines about GDPR at www.datatilsynet.dk. If you would like make use of your rights under the GDPR, contact SIRI.

Complaints to the Data Protection Agency

You have the right to submit a complaint to the Data Protection Agency if you are dissatisfied with the way we process your personal data. Contact information for the Data Protection Agency is available at www.datatilsynet.dk.

E. Verification and spot-checks

Your case may be selected for a spot-check. The spot-check aims to verify the following:

- The accuracy of the information you have given.
- Whether you meet the conditions for a residence and/or work permit, if such is granted to you.

Verification may involve the following:
