

## Appendix 1: Personal data card used for issuing cards for commuters

The personal card must be filled out if you are a non-EU/EEA citizen applying for Danish work permit, but not a residence permit. The personal data card below is used to create a card as a proof of your work permit if you are issued a work permit. It is important that you complete it according to the instructions below. Please submit the completed personal data card together with your application, placing this A4 page as the first page of the application.

### Instructions:

- State your Personal ID (if applicable).
- State your full name and date of birth. Please write in capital letters.
- Sign the personal data card with a **black pen**, remaining **inside** the designated area.
- Affix a passport photo of yourself. A full list of passport photo requirements is available at [politi.dk](http://politi.dk).
