For more information

More information about the rules governing Danish residence permits is available at newtodenmark.dk, where you can also find information about processing times. If you have questions when filling out the forms, you can also contact the Danish Immigration Service. See contact information at www.newtodenmark.dk/contact-us

If this form is used to apply for an extension of a residence permit, please note that the application must be submitted before the applicant's current residence permit expires. If the applicant submits his/her application after the date his/her current residence and/or work permit expires, it will mean the applicant is residing and/or working illegally in Denmark. As such, you should expect the application to be **rejected**. In this case, the Immigration Service will not process the application, and the applicant will have to leave Denmark and apply for a new residence permit in his/her country of origin. This applies even if the applicant has only been residing illegally in Denmark for a short period of time. Residing and/or working illegally in Denmark can also lead to **expulsion**.
