## Application for a residence and work permit for PhD students

### Using this form

This form is to be used when applying for a Danish residence and work permit as a PhD student.

A residence and work permit can be issued to a foreign national accepted as a PhD student by a Danish educational institution. In the form we distinguish between **PhD students who receive a salary** from the educational institution or a company affiliated to the PhD programme and **PhD students who do not receive a salary**.

When applying for a residence and work permit in Denmark as a PhD student, the Danish educational institution and the applicant are each required to fill out separate parts of the form. In addition, the applicant must provide the required documentation.

### How to apply

1. The educational institution **completes part 2** (sections 10-14) and **signs in section 15** (follow the instructions given in the form).
2. After completing part 2, the educational institution sends the form to the applicant (the PhD student).
3. The applicant **completes part 1** (sections 1-7) and **signs section 9** (follow the instructions given in the form).
4. The applicant encloses the required documentation.
5. The applicant submits the application at a Danish diplomatic mission in his or her country of residence. If the applicant is residing legally in Denmark, the application can normally be submitted in Denmark. If the application can be submitted in Denmark, this can be done at the Citizen Centre of the Danish Agency for International Recruitment and Integration (SIRI). If the applicant lives outside the Greater Copenhagen area, he or she can also submit the application at a local police station.

On [newtodenmark.dk](http://newtodenmark.dk) you can find more information about who can submit an application in Denmark.

### Which documents are required?

- Documentation of paid fee
- Copy of all pages of the applicant's passport, including the cover (if the application is submitted in Denmark, only pages containing information, including the cover and any pages containing visas or stamps are required)
- Letter of admission from the educational institution
- Employment contract or offer of employment (only if the applicant will **receive a salary** from the educational institution or a company affiliated to the PhD programme)
- Documentation that the applicant can support him- or herself during the stay in Denmark (only if the applicant **does not receive a salary**)

Please note that documents not written in Danish, English, German, Norwegian or Swedish must be submitted together with a certified translation in Danish or English.

### Are other documents required when submitting the application?

The applicant must present his or her passport to the authorities for identification.

### Does it cost anything to submit an application?

Yes, you will normally need to pay a fee in order to get the application processed by the Danish Agency for International Recruitment and Integration (SIRI).

You can read more about the fees in section 1 of this form, or on [newtodenmark.dk/fee](http://newtodenmark.dk/fee) where you can also see a list of current fees.

If the applicant submits his/her application through an application centre, he/she must pay a separate service fee to the application centre.

Similarly, a fee must be paid to a Danish diplomatic mission (embassy or consulate general) or to a Norwegian diplomatic mission receiving the application on behalf of Denmark. The fees may vary.

The individual diplomatic mission can also make further requests such as additional passport photos or duplicate copies of the application. We recommend that the applicant checks the requirements on the website of the diplomatic mission in his/her country of residence before submitting his/her application.

### Biometric features are required on residence cards

If you reside in Denmark or a country where Denmark has a diplomatic mission, you must appear in person to have your biometric features (digital facial image and fingerprints) recorded for use in your residence card. Your biometric features must be recorded in connection with the application being submitted.

If you reside in a country where Denmark has a representation agreement with another country's diplomatic mission, you must appear in person and submit two passport photos in connection with the application being submitted. Once you arrive in Denmark, your biometric features will be recorded.

## Application for a residence and work permit for PhD students

### PART 1 – to be filled out by the applicant

#### 1. Information about fees

In order for your application to be processed, you must pay a case processing fee. The fee will cover the processing of your case and will not be refunded if your application is turned down, or if you withdraw your application. The fee must be paid by the time we receive your application.

The fee is regulated annually on 1 January. Please make sure to create your Case Order ID and pay the fee in the same calendar year that you submit your application. If you pay the fee one calendar year (before 1 January), but submit your application the following calendar year (after 1 January), you will have paid too little.

You can find further information about current fees, how to create a Case Order ID and how to pay the fee at [newtodenmark.dk/fee](http://newtodenmark.dk/fee).

#### To pay the fee you must:

1. Create a Case Order ID.
2. Pay the fee.

Please enter the Case Order ID in this form, and remember to attach documentation that the fee has been paid.

#### How do I pay the fee?

You can pay the fee in several ways, for example, using a Danish debit card (Dankort), credit card, a Danish internet bank or a foreign bank. You can choose how you wish to pay, and see which information is required when paying the fee at [newtodenmark.dk/fee](http://newtodenmark.dk/fee).

**Please note:** If you pay the fee using a Danish internet bank or foreign bank, make sure to submit the Case Order ID together with the payment. You cannot pay the fee in connection with submitting your application in person. However, at certain embassies this is possible. Find more information at [nyidanmark.dk/en-us/coming\\_to\\_dk/fee/about\\_fees/list\\_of\\_places.htm](http://nyidanmark.dk/en-us/coming_to_dk/fee/about_fees/list_of_places.htm).

#### Who is exempt from paying the fee?

Certain case categories are exempt from paying the fee. There may also be specific instances where an application can be submitted without paying the fee even though a fee is normally required. You can read more about who is exempt from paying the fee [nyidanmark.dk/en-us/coming\\_to\\_dk/fee/about\\_fees/about\\_fees.htm](http://nyidanmark.dk/en-us/coming_to_dk/fee/about_fees/about_fees.htm). If you believe that you (the applicant) are exempt from paying the fee, please tick the box 'Applicant is exempt from paying the fee' in the field above. If you do this, you do not need to fill in the information required for refunding the fee. When you create a case order ID, please state that you are exempt from paying the fee.

Please note: If we decide that you are in fact not exempt from paying the fee, your application will be rejected, which means that it will not be processed. However, if you have paid the fee and we decide that you are in fact exempt from paying the fee, the fee will be refunded to you.

#### 1.1 Case order ID

Please state your **case order ID**. The case order ID you state below must be identical to the case order ID stated when paying the fee. Please include documentation that you have paid the fee. If you believe that you are exempt from paying the fee, please enter your case order ID and tick the box next to 'The applicant is exempt from paying the fee'.

## 1.2 Information required for refunding the fee (in case the fee is to be refunded)

Please enter the information required for refunding the fee below. The fee can be refunded by transfer to a Danish NEM account (NEM-konto), a Danish bank account, a foreign bank account, or in cash at a Danish diplomatic mission. Please state the name of the person to whom the refund should be paid (account holder/recipient), how you wish to receive the money, and any required information.

If the refund is to be paid to a foreign bank account, we recommend that you speak with your bank first to obtain the information necessary in order to receive a transfer from Denmark. In addition to the account information, you may also need to provide the bank's address.

**Please note** that for a period of 180 days, your fee cannot be returned to a bank account, if you originally paid the fee with Dankort or credit card. For that period of time the payment can only be returned to the **same** Dankort or credit card account. After 180 days, your fee can be returned to the bank account specified by you below.

## Did you remember everything?

If your application for a Danish residence permit is correctly filled out and contains the required documents, we can process your case faster.

It is therefore important that you make certain that part 1 of the forms is filled out correctly and that you have included the necessary documents.

We recommend that you use the checklist below to verify that the application is complete and correct.

It is possible to send documents to [study@siri.dk](mailto:study@siri.dk), if there are specific documents which you are unable to have ready

when you submit the application. It is important that you know that the service goal is calculated from the date when we have received all necessary documents. If you submit additional documents later, you must therefore expect to wait longer before you will receive a decision.

## Checklist – part 1

### Before submitting the application, please ensure that you have included the following documents:

- Documentation of paid fee.
- Copy of all pages of your passport, including the cover (if the application is submitted in Denmark, only pages containing information, including the cover and any pages containing visas or stamps are required)
- Letter of admission from the educational institution.

If you **receive a salary** from a Danish educational institution or a company affiliated to the PhD programme, you must also include:

## Biometric features required on residence cards

If you submit your application in Denmark or in a country where Denmark has a diplomatic mission, you must appear in person to have your biometric features (digital facial image and fingerprints) recorded.

If you submit your application at the diplomatic mission of a country with which Denmark has a representation agreement, you must appear in person to submit two passport photos. Upon arrival in Denmark, your biometric features (digital facial image and fingerprint) will be recorded.

If you send your application by post or fax or if it is submitted by a third-party such as a lawyer, you must appear in person to have your biometric features recorded **within 14 days** of the application being submitted. If you reside in a country where Denmark has a representation agreement with another country's diplomatic mission, you must appear in person to submit two passport photos **within 14 days** of submitting your application. When you appear to have your biometric features recorded or to submit your passport photos, please remember to bring a photocopy of the first three pages of your completed application form. This will allow the immigration authorities to match your biometric features or passport photo with the application. **Please note** that the processing of your application will not begin until your biometric features or passport photos are submitted.

Please **bring your passport** or other form of travel documentation when having your biometric features recorded or when submitting your passport photos. In addition to your biometric features, your signature will also be recorded. Facial images and fingerprints are stored on a microchip embedded in the residence card.

Biometric features can be recorded at the Citizen Centre of the Danish Agency for International Recruitment and Integration. If you live outside Greater Copenhagen, your biometric features can also be recorded at some police stations. A list of the police stations capable of recording biometric features can be found at [newtodenmark.dk/residencecard](http://newtodenmark.dk/residencecard). If you live abroad, the website of the Danish Ministry of Foreign Affairs contains a list of embassies and consulates, as well as Danish representation agreements with other countries' diplomatic missions ([um.dk](http://um.dk)).

If you do not agree to have your biometric features recorded in connection with the application being submitted in Denmark or at a Danish diplomatic mission, your application will be **rejected**. If the application is submitted at another country's diplomatic mission with which Denmark has a representation agreement, and you do not submit two passport photos, it will likewise be rejected. If you are not physically capable of providing fingerprints, you will not be required to do so.
